

**NOW'S YOUR OPPORTUNITY!!**

**DISCOVER AND CELEBRATE  
YOUR GOD-GIVEN STRENGTHS**

You've seen the pictures of parishioners in the large red frames [stop in the Parish Center to view our *Hall of Fame!*], you've heard about **Living Your Strengths** from exited parishioners and read about them in the bulletin and now it's your opportunity to join the ranks of over 100 Sacred Heart parishioners who have taken advantage of this *GALLUP* program. Adults **17 yrs and older** are welcome! Read what your fellow parishioners have said about this program? See page two.

Through a computerized program and print out you can discover and expand your five greatest strengths and apply them to your home life, in the workplace, in the community and of course right here as you share your time/talents in the parish. Whether you are computer friendly or not makes no difference. We will help you. What you discover may amaze you!
